- You can only change your CBT date by giving at least 2 days' notice. You can't change your test date a day before or on the test day. Failure to do so will result in being charged for the full amount.

Courses & Tests

- Full payment is required on the 1st day of training of any course, any student who arrives without the correct amount may have their training cancelled with no refund.
- The whole course must be booked in its entirety to obtain the package course rate, otherwise the normal session rate applies.
- Students are advised to book their CBT at least 2 weeks before a course, this will allow the Instructor to assess riding ability and advice on course duration. Students who have taken a CBT at another school are advised to take advantage of a riding assessment at least 2 weeks prior to the course,
- We will endeavour to train students of a similar ability on a course. If a student attends a course and is not up to a safe standard to continue, their test and possibly training may be cancelled with no refund due. It is therefore imperative that students take an assessment and or the additional training when advised to do so. This will ensure the other student is not disadvantaged.
- It is the responsibility of the student to ensure that prior to a course (Not CBT) they have passed their Motorcycle Theory Test and have informed the A1 Motorcycle Training School of the Certificate number. It is also the student's responsibility to bring the certificates to both tests. If you book in for a course without a valid theory the tests will have to be cancelled but the training will still go ahead and no refund for the tests missed will be given.

DVSA Practical Tests

- A1 Light, A2 Medium and A Direct Access licenses are gained through a two-part practical test (Module One and Module Two.) It is a requirement of the DVSA that Module One is passed before Module Two is attempted.
- If you fail Module One, three clear working days are required before a further Module One attempt.
- If you fail Module Two, ten clear working days are required before a further Module Two attempt.
- We recommend that the Mod One Test and the Mod Two Test are separated by 5 working days when students are doing individual session or lessons. If, however, the student requires, for personal reasons, that the Module One and Module Two be booked either on the same day or within 5 days of each other, the student must understand that if the Module One Test is failed, the fee for the Module Two Test will be lost to the DSA and any other subsequent tests will be charged at the standard DSA test rate. (Students doing the Combined 3.5 day Course are covered under our Mod 1 Test Guarantee)
- If the student requires further training for a re-test of either Module One or Module Two, usual training fees apply.
- If a test is cancelled by the DVSA because of adverse weather & you have been taken to the Test Centre, half the session fee will be charged. The test fee will be carried over to the next test date.
- If a test is cancelled by the DVSA because of Industrial Action or an inability on the part of the DVSA to conduct the test, the student will be charged the full session fee which you can claim back from the DVSA.

- Any student using his/her own motorcycle for training must ensure that the vehicle complies with all legal requirements in existence at the time of training and/or testing.

If a vehicle is not available and the lesson has to be cancelled, then you will charged the full session fee and no refund will be issued.
- Students turning up for training on un-roadworthy vehicles have the option to use one of our vehicles (if available) and the additional lesson fee will be charged at that time.
